### Ideas to keep writing flowing:

- \* keep a summer journal or diary
- \* write to friends, family, or even your 3rd grade teachers
- \* make an abc book for summer things
- \* help with shopping lists
- \* keep a notebook of great writing ideas
- \* create a scrapbook
- \* start a blog (get permission 1st)
- \* interview someone
- \* write a book or movie review
- \* write a to-do list for your parents (haha)
- \* write a list of questions to ask your 4th grade teacher

Keep watching <http://thirddimension.wikispaces.com>

for more summer ideas!

## MATH SKILLS TO PRACTICE

- \* adding facts
- \* subtracting facts
- \* multiplication facts
- \* adding and subtracting bigger numbers
- \* reading, writing big numbers
- \* making change
- \* telling time
- \* elapsed time
- \* measuring in inches and cm
- \* reading and writing decimals
- \* drawing and naming fractions

Dear 3SH Families:

It has been our pleasure to work with your children this year! It has been amazing to watch the transformation in the children as the year progressed. None of this would've been possible without the support of loving/caring parents and guardians. For this we thank you!

We both feel that it is difficult to say good-bye so we wanted the children to have our contact information. We welcome any communication!

While summer vacation is a time for kids to be kids, for relaxation, for fun, for family togetherness, it is also a long time to be away from school. We are offering some suggestions to help children keep their skills sharp for 4th grade. In this packet you will find reading lists, commonly used/misspelled spelling words, writing ideas, math skills, and the cursive alphabet. Any time that your child can spend on any of these skills will be time well spent.

We wish you a happy and healthy summer!
